REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

- Claims 1, 3-32 and 47 are allowed as amended over the arguments by the applicants and the absence of prior art that neither teaches nor fairly suggestive of a thermoset composition meeting the limitations of the instant claims by the applicants.
- Any comments considered necessary by applicant must be submitted no later than the
 payment of the issue fee and, to avoid processing delays, should preferably accompany the
 issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons
 for Allowance."
- Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kallambella Vijayakumar whose telephone number is 571-272-1324.
 The examiner can normally be reached on M-Th, 07.00 - 16.30 hrs, Alt. Fri: 07.00-15.30 hrs.
- If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Dr. Yogendra Gupta can be reached on 571-272-1316. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

• Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
